Member Profile - Jenna Liu, PMP

I have worked in the manufacturing industry for over 20 years. I became a full time project manager since 2009.

I've joined PMI and PMI-CTT since 2008. I started volunteering with PMI-CTT as the Content Manager recently.

I enjoy spending time with my family and friends, reading and hiking.

Project Story

I monitor over 100 new product launching projects on a daily basis. I am currently working on Project Portfolio Management. In 2019, I will get involved in launching IFS ERP system project. We are going to replace current ERP system in all six locations.

If you would like to share your story about your Project/ Program or Portfolio management journey, we'd love to hear from you!

Contact socialmedia@pmi-ctt.org and we will send you a PMI-CTT Chapter water bottle to take with you when you travel. In return, we ask that you submit a photo and a story about your trip with the water bottle for posting on our website.

Our goal is to have stories and pictures from as many of our world's 195 countries within one calendar year
