The Leadership Institute Region 3 Meeting

"LIR3M", previously known as the "Region 3 Summit", this annual gathering started in 1997 and has grown every year, paralleling the growth of the Project Management Institute. It has also paralleled the growth of the North-Eastern area of the North American project management community. Region 3 has welcomed many new chapters and members to Region 3 in the timeframe.

PMI's Region 3 consists of 18 chapters in the northeastern corner of North America, in the United States and Canada, representing nearly 30,000 PMI members.

The primary goal of the LIR3 Meeting is to provide learning, sharing and networking opportunities to chapter leaders from all chapters within PMI's Region 3 to keep up with the evolving needs of professional project managers who hold membership with PMI. The LIR3M supports our perpetual efforts to deliver unrivaled value to PMI membership.

Thanks to the event host: PMI OVOC (Ottawa Valley Outaouais Chapter)

The event theme this year is "Power of The Past - Force of the Future". It has placed greater emphasis on Learning and Sharing Breakout Sessions designed and delivered by Region 3 chapter leaders. Our chapter was able to take advantage of the proximity of the event and sent an eight person delegation to the meeting, which consisted of volunteer leaders from various portfolios. It was greatly successful three days of collaboration among chapter leaders.
