## Diogo Magalhaes

Diogo is currently the President-Elect of the PMI-CTT Chapter and has been involved with the Chapter since 2011 when he attended a dinner event while he was on vacations travelling in Canada. Born in Brazil, Diogo was a volunteer with the PMIMG Chapter (Minas Gerais – Brazil Chapter) and after he moved to Ontario he immediately became a PMI-CTT volunteer.

Diogo is a PMI Leadership Institute Master Class graduate (LIMC 2017) and strives to improve his leadership skills. He is also a Project Management advocate working to demonstrate business value of P3M Practices and the PM profession

Working as a Technology Project Manager with the City of Kitchener, Diogo leads strategic projects in the Technology, Innovation and Services Division.

He is passionate about sports and plays tennis and basketball regularly.

Diogo and his wife Laila recently had their first baby and spent the Winter Holidays in Brazil visiting their families. It was the first trip with the baby and that alone is a big project packed with risks and management skills required! Traveling to 3 different states in Brazil only added to the project complexity but this project was completed with much success and many benefits realized!
